

Linear Art Recreation

I chose to do this type of project mostly because of the fact that it is purely symmetrical and that seems to be how i like things to look. The art is meant to be symmetrical in every way it gives the art a feel like no other because it is not abstract you can feel how it was made and easily recreate it.

These linear equations will be used to recreate the art

$$-8/-1+0$$

$$8/-1+0$$

$$-4/-1+0$$

$$4/-1+0$$

$$-10/-5+0$$

$$10/-5+0$$

$$-10/-7+0$$

$$10/-7+0$$

$$-1/-1+0$$

$$1/-1+0$$

$$-1/-6+0$$

$$1/-6 +0$$

$$-4/-12+0$$

$$4/-12+0$$
